

Ways & Means Committee

Ways and Means has been busy working on updating its 2023 Spirit Wear Store with some new items for our membership. Several new items have been added and many of the most popular and favorite items have been left on for future purchase.

The Spirit Wear Store was successful in 2022 generating income for Ways and Means. We offered a "Free" Hand Blast Etched Spinone Mug for members who purchased merchandise to be entered in a drawing. It took off like crazy with more than 100 orders and our lucky winner of the mug was Dan Matais and Kay McLeland was our second winner of the Ways and Means Merchandise Sales drawing push last fall.

In December we offered custom ceramic Spinone Christmas Ornaments. They were beautifully made with members' favorite pictures of their Spinone on them. While sales were slow, we had rave reviews and hope to grow orders next year.

We have other items and offerings in the works and look forward to bringing them to you soon!

I'm pleased to announce the Ways and Means Committee Chair and Team-
Rebecca Van Ess Committee Chair
Team- Barbara Horrell, Karen Beyer, Angie Nortley, Reina Sacks and Jill Krebs.

Sincerely
Rebecca Van Ess
